### **McKinney Roughs Nature Park      1884 State Highway 71 West, Cedar Creek, TX 78612**

McKinney Roughs is located approximately 30 minutes from downtown Austin on Highway 71 West. The Park provides a spacious meeting/dining hall with a fully equipped kitchen, an outdoor amphitheater and three very nice, modern dormitories. All dorms and buildings are air-conditioned and all dorms include bathrooms with showers. The grounds are perfect for our outdoor workshops and activities, and indoor classrooms are available if needed due to weather. There is no tent camping at McKinney Roughs; however, those who want to camp are welcome to do so and commute to the conference each day (see Tent Camping). McKinney Roughs facilities are great; this site has worked well for us since the Bastrop fires. We have not had to turn down any scholarship requests yet. If you are so situated, we hope you will donate to the scholarship fund. See you there!
