

To Our Members:

Intergroup is OPEN! A mask is REQUIRED to enter, that protects us and we will wear a mask to protect you. We cannot find hand sanitizer so if you have any we would love to have some. We will wipe down after every visitor. We will allow only TWO visitors at a time. We will not have coffee or refreshments for the public.

Do not enter if you are sick, if anyone in your household is sick or if you have a temperature. Our bathroom is not open to the public.

Be Safe,

*Gary H.*

Office Manager
